It's been an amazing summer for Grammy nominated classic rockers, GREAT WHITE. The band recently wrapped up a string of dates in Michigan, Arkansas, Georgia, Nevada, Idaho, Nebraska, North Dakota, South Dakota and Montana.

Up next for the band will be concerts in Indiana, Arizona and Colorado. More dates will be announced soon, but the band would like to thank all of its media friends for the support! And, a special thanks to sharing the stage with Quiet Riot, Whitesnake, Night Ranger, SLAUGHTER, Vince Neil, Queensryche and all of the local bands we've met along the way!

And, certainly not least, thank you for our fans. We do this for you!

Featuring founder Mark Kendall (guitar), and 28-year-veterans Michael Lardie (guitar, keyboards) and Audie Desbrow (drums), they are joined by lead singer Terry Ilous and bassist Scott Snyder. GREAT WHITE emerged unscathed from late 2011 band member changes. Best known for the 1989 smash "Once Bitten, Twice Shy," Great White's worldwide sales are approaching 10 million. Their song arsenal also includes "Rock Me," "Save Your Love," "The Angel Song," "Mistabone," "I've Got Something For You" and "Feeling So Much Better," and "Hard To Say Goodbye."
