Great White Founder/Guitarist Mark Kendall Returns To WVOX's Metal Mayhem This Friday!

Host Matthew O'Shaughnessy raises the Metal Mayhem flag high as he proudly welcomes back Great White guitarist and founder Mark Kendall to his New York radio show this Friday, November 8th at 8:10pm Eastern exclusively heard on WVOX.com Worldwide and 1460 AM. Kendall will talk with O'Shaughnessy again about the groups latest tour itinerary and Great White's touted appearance on the highly-regarded and headbanging Monsters Of Rock Cruise which hits Nassau, Bahamas from March 29th - April 2nd. Mark Kendall will also discuss Great White's contributions on the 40th Anniversary KISS tribute album, A World With Heroes in which he and bassist Scott Snyder are featured on the iconic KISS song, Love Gun. Mark and Matt will be showcasing tracks from both the bands Elation and 30-years Live From The Sunset Strip albums during the live on-air broadcast. "An appearance by the one and only blues-based guitar maestro Mark Kendall is always an incredible highlight of our broadcasting year", says host Matthew O'Shaughnessy.
